

# South Florida Ecosystem Restoration Land Acquisition Update

**DATA SOURCES**

- Data layers depicting acquired conservation lands were compiled by the Florida Natural Areas Inventory (FNAI) using data received from many different sources including federal, state, and local managing agencies and private conservation organizations. Lands acquired through 2001-09-30 are depicted on the map.
- The Florida Forever Board of Trustees (BOT) Projects data layer represents projects on the Florida Forever BOT Acquisition List as of 2001-04. Boundaries were digitized by FNAI staff using paper maps provided by FDEP Office of Environmental Services.
- SFWMD provided digital data for the Comprehensive Everglades Restoration Plan (CERP) Projects 2001-12 and Save Our Rivers (SOR) Projects 2001-11.
